

HOW TO PREPARE FOR YOUR INITIAL MEETING

Prior to your first meeting with Hunter Smith Architecture, it is important that you think about the following topics.

PROJECT SUMMARY

- What are you trying to accomplish?
- What are your must-haves, and what can you compromise on?

TIMELINE

- When do you hope to be finished with construction?

STYLE

- What is your design aesthetic?
- How do you envision the space functioning?

BUDGET

OTHER INFORMATION

- What information about your property do you have available? A survey, soils report, or any existing plans?
